RE: Annual Compliance Report 40 CFR 60 Subpart 0000a: August 2, 2017 – August 2, 2018  
Annual Compliance Report 40 CFR 60 Subpart 0000: October 15, 2017 – August 2, 2018

Dear Sirs:

CNX Resources (CNXR) hereby submits the annual compliance report for affected facilities subject to New Source Performance Standards (NSPS) 40 CFR 60 Subpart 0000 and NSPS 0000a.

As specified in 40 CFR 60.5410a, the initial compliance period for a NSPS 0000a affected facility begins on August 2, 2016, or upon initial startup (whichever is later). Similarly, the initial compliance period ends no later than 1 year after the initial startup date of the affected facility or no later than 1 year after August 2, 2016. In accordance with §60.5420a(b), the annual report is due 90 days after the end of the compliance period (i.e., October 31, 2018). This annual report covers the compliance period from August 2, 2018 through August 2, 2018.

In order to streamline reporting, CNX is submitting NSPS 0000 for the time period October 15, 2017 to August 2, 2018 as a "short-report". This will align the compliance periods for any future reports with facilities subject to NSPS 0000a. Future compliance reports for CNX's affected facilities under both subparts (as applicable) will be submitted in a consolidated report by October 31st of each year, and will cover the prior year's reporting period (August 2 – August 2).

Should you have any questions regarding this report, please contact me by phone at (724) 485-3156 or by email at PatrickFlynn@cnx.com.

Sincerely,

Patrick Flynn  
CNX | Air Quality Program Manager
